ANIMAL WELFARE

The Hometown Foundation, Inc. proudly supports the animal welfare community. We believe that pets are family and every animal deserves a loving home. Our Animal Welfare Pillar works year-round to assist in the adoption of animals who are in search of a home. The Foundation also promptly responds to disaster-stricken areas to assist in the transportation of animals and the donation of supplies to the needs of that animal community.

MAJOR ILLNESS OR THOSE IN NEED

The Hometown Foundation, Inc. is committed to helping those affected by major illnesses and those in need as we understand the stress and pain that coincides with a diagnosis or a hardship. Illness, both chronic and acute, can take its toll on families and we are proud to support individuals, organizations, programs, and research that assist in various areas of care. To serve individuals, families, and children in need, we host our annual HungerLESS Holidays campaign as well as our annual Holiday Toy Drive.

EMERGENCY RESPONSE PERSONNEL

The Hometown Foundation, Inc. recognizes that our emergency response personnel dedicate their lives and time to keeping our communities safe daily. They are always there when we need them most, which is why it is a part of our mission to give back to them. As a Foundation, we fully support our first responders through monetary donations as well as supplying necessary equipment, training, attire, Police K-9s, and more. The Foundation provides educational programs and training opportunities for police and firefighters across the country through expositions, programs, and on-site training.

MILITARY

The Hometown Foundation, Inc. recognizes the importance of our military and we appreciate their dedication to our country. They help keep us safe every day and we can never thank them enough for their dedication and commitment. The Hometown Foundation provides emotional and physical support by working at the grassroots level to help close the gap between food insecurity and Veterans in our community. We continue to support our active-duty members, veterans, and their families through our fundraising events and year-round initiatives.

INDIVIDUALS WITH INTELLECTUAL OR DEVELOPMENTAL DISABILITIES

The Hometown Foundation, Inc. began with a mission to raise money for individuals with intellectual and developmental disabilities. To date, the Foundation has raised millions of dollars within this pillar. Through our signature event, The Dream Ride Experience, The Hometown Foundation brings together individuals from across the globe to break stereotypes, while celebrating inclusion and acceptance. The Foundation is devoted to helping those facing challenges.
