## Sparky18888, Precision Concierge “PCNY”, Bozzuto’s, Inc., The Hometown Foundation, Inc., & The Garden of Eden Foundation Secure 5,500 Turkeys for those in need!

Sunday, November 18<sup>th</sup> —Precision Concierge (PCNY), The Hometown Foundation, Inc., Sparky18888, and The Garden of Eden Foundation are pleased to announce that they have secured 5,500 turkeys for those in need across the greater New York City area. Through connections with PCNY in association with The Hometown Foundation, Inc., turkeys will be distributed by volunteers and community activists across the city.

Sparky18888 and PCNY reached out to The Hometown Foundation, Inc. to secure a large allocation of turkeys from Bozzuto’s, Inc. Immediately, the foundation secured sponsorship and commitment from Turnpike Motors Autobody, ACI Dynamix, Flexco Convertors, Yankee Harley-Davidson, and other community leaders. PCNY was also able to secure 10,000 pounds of produce through their relationship with A&J Produce.

“We commend Sparky18888 and PCNY for setting the bar of donating 5,500 turkeys. The Hometown Foundation, Inc. and Bozzuto’s, Inc are happy to contribute to one of the largest turkey giveaways for those in need. Our company strides to support local communities and believes everyone should have a wonderful Thanksgiving,” said Chris Sferruzzo, Executive Vice President of Finance at Bozzuto’s, Inc.

“At PCNY we work closely with our friends at The Hometown Foundation, Inc. and The Garden of Eden Foundation. When we heard of this opportunity and the impact it would have for families in the NYC area, we jumped in with no hesitation! We have had huge success the past three years but this event goes above and beyond anything we have ever done,” said Wayne Schneider of PCNY.

We would like to thank our sponsors involved in this turkey donation and operation. They include Sparky18888, Precision Concierge, Bozzuto’s, Inc., The Garden of Eden Foundation, The Hometown Foundation, Inc., Turnpike Motors Autobody, ACI Dynamix, Enterprise, Flexco Convertors, Yankee Harley-Davidson, Miller Motorcars, 104.1 WMRQ, and Broadway Auto Brokers.
