

# The 2019 Thanksgiving Turkey Drive

The Hometown Foundation, Inc. is proud to present the 2nd Annual Thanksgiving Turkey Drive! In 2018, the Foundation donated 5,000 turkeys to families in need during the holiday season to ensure they had a wonderful Thanksgiving regardless of their circumstances. This year the foundation hopes to double the prior donation and deliver 10,000 turkeys between the cities of Hartford and New Haven, Connecticut as well as the greater New York City area. We appreciate any support you are able to provide at this time and we thank you kindly for your consideration this holiday season.
